

# Refuse Sticker & Tote Guidelines for the City of Watertown

www.watertown-ny.gov

Refuse Collection day is on:

Between the hours of 7 a.m. and 3 p.m.

Collection frequency: Weekly basis.

Collection location: All bags/totes must be placed in front of residence, near margins for curbside pick up by 7:00 a.m.

Collectables: (What the city will pick up) Trash/garbage pick up consists mainly of all non-recyclable household items and food.

## **Blue Sticker Refuse Pick Up**

The sticker program allows you to participate with the city refuse collection on an “as needed, pay as you throw” basis. Each \$2.50 sticker covers the collection and disposal costs for a single unit garbage bag with a 40 lb. maximum weight limit and a maximum size of 32 gallons.

The stickers can be purchased at City Hall or most of the local grocery and convenient stores carry them. (For your convenience there is a list attached)

The proper stickers are blue and have the CITY OF WATERTOWN inscribed on them.

## **Trash Tote Pick Up Rules** (Pre-paid on a quarterly basis)

1. The trash tote shall be left at the curb by 7 a.m. on the day of scheduled service.
2. All trash in tote must be in plastic bags.
3. The tote must be placed at the curb with its top open no more than six (6) inches. Any bag(s) in excess of this guideline should be set next to the tote with a City blue sticker attached (1 sticker per bag) or the extra bag(s) will not be picked up.
4. No water shall be in the trash tote.
5. No hazardous or dangerous materials shall be placed in the tote
6. If the trash tote is lost or stolen, customer shall forfeit the deposit and place a new deposit on a replacement tote.
7. If the customer cancels service, refunds will be prorated to the last week of service and the tote deposit will be refunded.
8. If the tote is picked up for non-payment, the customer forfeits the deposit.
9. Additional rules may be added or changed at the discretion of the City Manager to be valid upon notification to the customer.

## **Pick up of Non-Baggable Items**

In some cases, we will pick up smaller items for disposal that may not fit inside your trash bag/tote.

1. It must be of a disposable nature, one that can be disposed of at the regional landfill. Example: car tire/battery cannot be picked up.
2. A blue City sticker must be attached to the item
3. Said item cannot exceed 40lbs.
4. Item must also be able to fit in the hopper of a refuse collection vehicle; even it meets the weight limits. If it is too long or wide, we cannot pick it up.
5. If you are unsure, please call the DPW at 785-7842 or 782-2320. Pick up of such items is at the department's discretion.

## **Yard Waste Collection**

Seasonal bi-weekly collection service of brush, yard and green waste coincides with your recycling schedule during the months of April through November.

**BRUSH**— Must be placed in bundles having a maximum diameter of 18 inches and no longer than 5 feet. Keep material so that it can be picked up by one man and thrown onto a truck. Branches cannot exceed 4 inches in diameter. Try to place smaller twigs and branches in a trash can, not to exceed 32 gallons in capacity.

**COMPOSTABLES**— Leaves and grass clippings should be bagged (color not important). Do not put anything in bag other than leaves or grass or we will reject them. Keep the bags at a manageable weight, as one man is picking the bag up and throwing it onto a truck. If bags exceed manageable weight, are split, or broke open, they will be left.

This program is to assist in yard maintenance and is not intended for land clearing, tree/hedge removal.

\*Please keep in mind that the information we are furnishing you with is always subject to change. In some cases the City has to follow changes and updates mandated by other levels. This reflects our most current and accurate information.

# Recycling Guidelines for the City of Watertown

www.watertown-ny.gov

*No recycling services will be provided to any City resident who does not participate in the municipal refuse collection services as provided at § 161-22 of the City of Watertown Code  
[Added 3-18-2002 by L.L. No. 5-2002]*

## Recycle Collection Day is

Between the hours of 7 a.m. and 3 p.m.

Collection frequency: Every other week.  
Next recyclable day in your area is:

\_\_\_\_\_ ,  
and then on:

Collection location: All containers must be placed in front of residence, near margins for curbside pick up by 7 am.

## Suitable Recycling Containers

Any durable, weather proof container, can, pail, basket, or bucket capable of holding separated recyclables that does not exceed 20-gallon capacity. DO NOT USE plastic bags, cardboard boxes, or containers with multiple compartments.

*One separated group per container.*

## Collectables: (what the City picks up)

1. **METALS-** Tin and aluminum cans, pie plates, etc. All items must be cleaned / rinsed, remove ends and place inside can, flatten if possible. NO AEROSOL CANS.
2. **PLASTICS-** Only "BOTTLE-TYPE" containers or jugs such as milk, water, and cider, or bottles numbered with 1, 2, 3, or 5 are acceptable. Remove and discard caps, rinse out, and flatten if possible. NO TUBS, BAGS, OR LIDS.
3. **GLASS-** Bottles and jars only. Remove and discard lids and caps and rinse out. Clear and colored may be mixed. NO GLASSWARE, COOKWARE, DISHWASHER CERAMICS, WINDOW GLASS OR LIGHT BULBS.

4. **CARDBOARD-** Only **corrugated** cardboard will be taken. All tape, staples, labels, stickers, etc. should be removed, flatten material and bundle with twine. Bundles can be no more than 3' x 3'. NO FOOD, CEREAL, or KLEENEX, TYPE BOXES. DO NOT allow cardboard to become, we cannot collect wet cardboard.
5. **PAPERS & MAGAZINES-** (mixed paper, catalogs, junk mail, school papers, old bills, receipts, etc.) Place in brown paper bag or some type of hard container, pail, basket, or bucket, which does not exceed 20-gallon capacity. DO NOT PUT IN PLASTIC BAGS.
6. **NEWSPAPERS** (Leave inserts in papers) place in brown paper bag or some type of hard container, pail, basket, or bucket, which does not exceed 20-gallon capacity. WE CANNOT pick up wet newspapers.  
DO NOT PUT IN PLASTIC BAGS.

## Holiday Collection

Regular Trash & Recycling dates which either coincide with, or follow an observed holiday will be picked up one day later than normal within the same week.

THE ONLY OBSERVED HOLIDAYS ARE:

New Years Day  
Memorial Day  
Independence Day  
Labor Day  
Thanksgiving Day  
Christmas Day

## Medical/Physical Concerns

If you have a condition that inhibits your ability to place materials curbside for pick up, obtain a statement from your physician containing the following information:

- Your name and address.
- Description of condition or ailment, which prohibits you from carrying containers to the curb.
- Physician's name and address.

Send this information to: Department of Public Works, 245 Washington Street, Watertown, NY 13601 or FAX to 785-7752. This will allow us to pick up trash and recyclables without your needing to take them curbside.

QUESTIONS - PROBLEMS - COMPLAINTS

785-7842 or 782-2320

Monday - Friday 8 a.m. to 4 p.m

Revised: 04/15/09

Please do your part in recycling by separating the materials listed below in the "YES" column (for recycling) from those in the "NO" column. Only the materials in the "YES" column are currently being collected for recycling in Jefferson County. The items listed in the "NO" column are not currently being collected for recycling and are considered waste materials at this time. Contact your private hauler or municipality to get details on how recyclables are collected where you live; there may be variations from this guide.

| Yes, Please Include  |   | No, Considered Solid Waste   |  |

**Jefferson County Drop-Off For Waste and Recyclables For County Residents**

Jefferson County's transfer station is open to **all residents of the County** for the disposal of solid waste and recyclables. The transfer station is **located at 27138 NYS Route 12, 4 1/2 miles north of the City of Watertown.** The County will accept **bulky items, such as furniture, construction debris and junk, at \$120 per ton.** Vehicles with bulky items will be weighed in and out on the County's certified truck scales. **All sales transactions will be cash only.**

**Bagged trash must be in County garbage bags,** which are available at the transfer station, Equipment Rentals on Bradley Street, Murray's Hardware on Route 11 and Doxtater's Market on Route 37 for **\$2 per 33 gallon bag.** Recyclables and white goods (stoves, refrigerators, water heaters, etc.), will be accepted at no charge.

**Please see hours for the recycling center and transfer station listed above.** The station is closed on major holidays.

There is a narrow one-way road on the right-hand side as you approach the scale house (the first building). Residents who are bring **pre-paid bags or recyclables only**, and who do not to get weighed, should use this road. It leads to the recyclable drop-off area and the garbage dumpsters.

**Residents who wish to use the station for the disposal of bulky items (too big to fit in bags), should drive onto the scales and ask for further instructions.**

- Residents with **scrap metal** should inquire at the scales.
- Residents with bulky items **and** pre-paid bags or no-charge items should weigh in first, then unload the bulky items and weigh out and pay before unloading the other material.
- All vehicles are required by New York State permit conditions to **unload by hand.**

- For more information, please call 785-9072, Monday through Friday operating hours.

## Light Cardboard (Voluntary)

### Include

#### Dry Food Boxes

Examples: cereal, snack, and pasta boxes

#### Nonfood Boxes

Examples: toothpaste, shoe, and gift boxes

#### Paper Product Tubes

Examples: paper towel tubes, toilet tissue tubes, and wrapping paper tubes

#### Note Pad Backing

#### Egg Cartons

### Do Not Include

- Corrugated Cardboard Boxes or Brown Paper
- Brown Paper Grocery Bags (Recycle with corrugated cardboard)
- Soda, Beer, or other beverage cartons/carriers
- Frozen food and microwave containers
- Butter and Margarine boxes
- Detergent boxes (examples include dishwasher and laundry soap)
- Pizza Boxes

## Questions and Answers

- 1) Why can't other plastics like "tubs, "bags, cups, caps, and lids be recycled? (The recycling symbol is shown on some of them!)
  - a. Other plastics may show the symbols, but each type is molded differently and melts differently. The different types can't be mixed together when reprocessed. Only bottles with recycling symbols containing the numbers 1, 2, 3, or 5 are acceptable at this time. Also, some stores take back their shopping bags for recycling.
- 2) Why are some products labeled "recycled" or "recyclable" but aren't included on the list of materials accepted for recycling?
  - a. "Recycled means that a product is made from recovered materials and may or may not be able to be recycled again. "Recyclable" means that it is potentially recyclable. This area does not have markets for all potentially recyclable materials. For example, there may be a limited number of facilities that recycle a certain type of material (such as drink boxes, which are recyclable under a pilot project in certain areas only). Or, the market may be too far away to realistically utilize it. The definitions and use of these terms are the topic of national debate and may have restricted use in advertising and on packaging in the future.
- 3) Why do I have to wash my trash before it can be recycled? (I don't like to waste the water either.)
  - a. Dirty recyclable materials could become a health hazard during the handling process. In addition, recyclable materials are no longer considered trash; they are marketed to companies for use in manufacturing new products. On the water conservation issue, recyclables can be cleaned in your dishwasher or rinse two or more containers at the same time by pouring the water back and forth from one to another.
- 4) I'm separating materials for recycling, but I still have a lot of trash. What else can I do to reduce waste?
  - a. The County has brochures available on home composting and waste reduction. Please call the county Recycling Office for you free copy.
- 5) What do I do with used motor oil?
  - a. New York State law requires certain garages that perform oil changes to accept, at no charge, up to 5 gallons per day of used motor oil from people who do their own oil changes. Do not mix the oil with anything else. Call ahead to see if the garage is able to take your oil.
- 6) What do I do with cans that have rounded bottoms (like tuna fish)? I can't remove the bottoms to flatten the cans.
  - a. Make sure the labels are removed and cans are clean, then include them for recycling without flattening.

**If you have additional questions, call the Jefferson County Department of Recycling and Waste Management at 785-9072**

## PASSENGER INFORMATION

ALL Buses are equipped with front wheel-chair lifts, bike racks, and air conditioning.

PLEASE have exact fare ready in coin only. Drivers carry no change.

PLEASE pay fares as you board the bus.

DRIVERS are not allowed to charge fares or accept checks.

CHILDREN, when accompanied by an adult: one (1) child under six (6) is allowed to ride for free.

#### TRANSFERS:

- Are issued upon request when boarding the bus on route only.
- Are to be used when transferring to another bus only. They cannot be used to get back on the same bus from which they were issued.
- Will be accepted at the Arcade only and not on route.
- Will NOT be issued to persons who board at the Arcade and ride the entire route back to the Arcade. An additional fare will be charged to continue riding on any bus or route.

STROLLERS are to be folded before boarding the bus.

PROHIBITED - Eating, drinking, smoking, and disruptive behavior.

PLEASE pull the chimes cord in ample time prior to your stop.

PLEASE remain seated until the bus comes to a complete stop.

PLEASE HAVE A SAFE AND PLEASANT TRIP!
